WAX WORKS PROVED TO BE BIG SUCCESS

Mrs. Jarley's Waxworks presented last night at the opera house under the auspices of the Presbyterian church and under the direction of Miss Jessie Sutman and Miss Wilson, proved to be a most successful affair from every viewpoint. The cast had been carefully drilled in their respective parts for some time and their almost perfect presentation was witnessed by a large and representative audience.

"Mutt and Jeff," Jack Spratt and his wife, by Edgar Riddle, Frank O'Rourke, C. L. Lewis and A. N. Shuster were side splitting in their actions while Rip Van Winkle by H. R. Pore, Uncle Tom by W. S. Bumbaugh, the Giggler by Sara Shutterly were also among the biggest hits of the show. The Chambers of Curiosities, Horrors, Antiques, Historical Characters and the miscellaneous and Shakespearean characters caused a riot of fun with their comic and grotesque motions. The performance was completed by a Tableaux of children which was one of the most beautiful parts in the entire show. Vocal solos were interspersed between the acts by A. W. Johns and Mrs. Daniels and violin solos were given by Miss Beatrice Conway and Prof. J. E. Robinson.

The attendance fell a little short of expectations owing to the fact that there are so many entertainments going on at the present time but a neat sum was realized in spite of all.

POLICE STILL AFTER STREET ROAMERS

The police are still watching for young boys and girls who have a habit of roaming the streets at night without a good reason and unless some of those who have been warned, heed, arrests will follow. No end of complaints are received at the police headquarters, but the officers are powerless unless the parents and guardians lend their assistance in some measure to the enforcement of the orders.

As was stated before there is a place for the incorrigible youth and the Burgess will not hesitate to use this authority, in placing them there he states, if there is occasion for it, and it would not be surprising to hear of several parties being sent to the Reform School or Morganza.

ROYAL WELSH CHOIR TO APPEAR HERE

The Royal Welsh Ladies' Choir which will appear at the opera house on next Tuesday under the auspices of the Lecture Course guarantors has proven itself to be one of the most popular organizations in the way of a choir or musical company that has ever made it's appearance in this country or Canada. The tour is under the direction of J. Cosgrove of Calgary, Can., and is headed by Madame Hughes-Thomas, one of the most distinguished lady musicians of the United Kingdom and one who has been signally honored by the royalty on several different occasions.

Well Known Business Man Will Retire

Frank Venerri has disposed of his meat market on Schoonmaker avenue and on April first will retire from business. This decision on the part of Mr. Venerri was made necessary on account of the long tedious, and critical illness of his wife who for several months past has been confined to her bed with little hope for her recovery. Mr. Venerri has been at her bedside almost constantly and on this account he was forced to neglect his business to a very great extent. There is some improvement of late and it is now thought possible that the sick woman may regain sufficient strength to be removed to another climate with the hope of recovery.

Frank Venerri is one of the well established merchants of the town and occupies the same location as when he started some twelve years ago. He built up a large trade by his square business methods and handling the best product the market affords at all times. On his block was found home dressed meats and fresh provisions of all kinds, and people loved to deal with Frank because they realized they were getting exactly what they paid for. This is a good reputation with which to retire.

His successors will be S. Horn and H. Lowstutter, the former gentleman having been associated with Mr. Venerri for a number of years and a business man of excellent traits. Mr. Lowstutter comes from Charleroi. They take charge of the business April first and so far as square dealing is concerned there will be no change in the shop.

ENTERTAINED AT "500"

Mr. and Mrs. A. R. Ney entertained at "500" last evening in honor of their two sons, Morse and Albert. The affair was a most delightful event and between 25 and 30 guests were present. Five tables were in use and a most enjoyable evening was spent. At the close of the evening a lunch was served.

Date Set For Valley Field Meet

The Annual Meet of the Monongahela Valley High Schools will be held this year at Charleroi on Saturday the 18 of May, and in case of postponement, one week later. This was the decision of the Superintendents of the different schools at a recent meeting held in Charleroi. Sup't H. E. Gress and J. B. Ogden were the local representatives.

The Meet this year will be held under A. A. U. rules and there will be three open events. The summary of the events for the schools is as follows: 50, 100, 150, 220 and 440 yard dashes and 880 yard run, standing and running broad jumps, high jump, shot put, pole vault and half mile relay. The open events are the 100 and 220 yard dashes and one mile relay. It is probable that either the 50 or the 150 yard dash will be eliminated. All entries must be in the hands of R. G. Dean, Monongahela, by May 14 at 7 p. m.

Handsome gold and silver medals will be awarded to winners of first and second place in all events except in the relay race in which a banner will be awarded the winning team in the open relay race and gold and silver medals will be awarded the first and second team, in the High School event.

Committees to take charge of the different details were chosen and judges are to be selected as follows: one from each of the towns represented and one each from Pitt and W. and J. An admission of 25 cents will be charged all except the pupils who will have a special rate.

The outlook for a winning team in the local High School is very bright and the warm weather of the last week has ennabled the boys to get out and do a little preliminary work on the track at the Carnegie Steel Co., plant. As soon as the weather becomes more settled, practices will be held daily and training will begin in earnest.

The annual spring opening of the millinery store of Mrs. Anna C. Gabler will be held tomorrow afternoon. Mrs. Gabler offers this year some of the latest and most exclusive styles that Dame Fashion has established and the women of Monessen are exceedingly fortunate in having such a large and varied assortment to select from. 50-3t

BRIGHT PROSPECTS FOR CHURCH LEAGUE

The members of the Church League did not hold a meeting at the last regularly appointed time owing to the fact that the several committees had not been able to get along far enough with their work and it is probable that the next meeting will be held the early part of next week.

The grounds committee of which H. J. Bearer is chairman are progressing along very nicely in the matter of securing suitable grounds and the schedule committee has almost completed the drafting of a temporary schedule of 45 games, 15 for each team.

In spite of several erroneuos and fictitious reports, the League this year will be on a firmer and more stable basis than ever before and there is not the least semblance of doubt but that the season will be a successful one from every standpoint according to the reports from the different churches interested.

HON. FRANK J. CANNON HERE TONIGHT

Tonight at the opera house Hon. Frank J. Cannon will deliver his famous lecture, "The Modern Mormon Kingdom," and every indication points to a large turn out. Ex-senator Cannon comes as the fourth number on the lecture course and his arrival has been eagerly awaited for, for some time.

Mr. Cannon is thoroughly familiar with all of the phases of the subject with which he deals in his talk and there is no doubt but that those attending the lecture will be made acquainted with some startling facts in regard to the Mormon religion.

Seats are on sale at the Mikalarias and Berbatis confectionary store and many reservations have been made so that good seats will be at a premium and it would probably be advisable to have your seats laid away as early as possible.

BUILDING BOOM IS EXPECTED THIS SPRING

This morning in making a round among the different real estate men of the town, it was learned that this spring and the coming summer will, without doubt be one of the most active seasons in the building line that this town has ever experienced. Reports from all along the valley show a big advance in the number of improvements but it is thought that Monessen will not only hold her own this year but will lead the procession by a good margin.

Last week the East Side Land Co., reported a large number of sales through their agent George Sherman and it was stated that these lots were to be improved with dwelling houses in a very short time. Various other agents report big sales and even the Contractors and Builders are beginning to notice the large number of contracts that are being let and are getting ready for the work.

The new improvements at the Pittsburgh Steel plant are no doubt in a great measure the cause for some of the activity, but Monessen, as a town for future location has to offer advantages that very few other towns it's size in the country can, and for these reasons people are not slow in taking hold of local property.

It is rumored that several new three story brick buildings will be built on one of the principal streets of the town and the outlook for like improvements in the residential district is, as was stated before, exceedingly bright.

Stock Company Making Good

"College Days" presented last night at the Liberty theatre by the Frank Zell Rell Stock Company proved to be a delightful little comedy in every respect and large crowds were on hand to greet both performances. This afternoon and evening, "The Katzenjammer Kids" will be presented and this good old show which had it's origin in the comic supplements, receives an interesting and entertaining interpretation at the hands of the company.

Now that Colonel Roosevelt has gone upon the stump begging votes for himself and antagonizing the renomination of President Taft, why does he not tell us his reasons for doing so?

What has Taft done as President of the United States that he should not have done? Can The Colonel give one single instance? The President has fought for a tariff commission, but in so doing he has received the praise of Roosevelt. He insisted upon the Canadian treaty, but Roosevelt himself was an enthusiastic supporter of that treaty. He has continued to bring the trusts into court, and in this direction he has proved much more active than Roosevelt. What, then, has the President done that he should not have done? We wish that Roosevelt would take the "people" into his confidence and tell us all about it.

Let us put it another way. What has Taft neglected to do that he should have done?

These are questions that are posers. Apparently they cannot be answered, for they have been advanced time and time again all over the land. Certainly Colonel Roosevelt makes no attempt to reply to them, although it is right for the hundreds of thousands of Republicans who were his warm supporters as President to learn from his own lips why he asks them to turn from Taft and follow him into a third term.

In the absence of any definite reasons for his dislike of President Taft, there can be but one conclusion—that Colonel Roosevelt is a victim of inordinate ambition and that to satiate that ambition he takes no account of pledges, friendships or anything else that men hold honorable.

The notion appears to be that if you begin now to swat the fly you can kill him off as fast as he arrives, and that will end the trouble. If you don't do this it will not be because you have not been fully advised on the subject.

A red-hot fight for national delegates in the Thirty-first Congressional District is assured by the fact that former State Senator William Flinn, one of Roosevelt's national lieutenants, and State Highway Commissioner E. M. Bigelow will be opposing candidates.

Everybody seems anxious for a slate, at slate making time and a little later the fellows who don't get on are praying for a stone to smash it.

Don't go into politics brother if you can't stand defeat. Somebody must get it when there is more than one candidate and the fellow who can rise in his might and run again is the winner after all.

Somebody in Westmoreland county is doomed to early death if all reports are true. The wages of sin is death you know. The capitol grafters have nearly all cashed in.

Spring is limping along after a fashion, and would be more than welcome if it wouldn't drag that everlasting housecleaning job along with it.

Amateur theatricals seem to be holding the boards locally. Its a great accomplishment to be a good actor.

Keep The Kidneys Well

Health is Worth Saving, and Some Monessen People Know How to Save it

Many Monessen people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger. Use Doan's Kidney Pills—a remedy that has cured thousands of kidney sufferers.

The following statement leaves no ground for doubt.

Charles Conaghan, Market street, Belle Vernon, Pa., says: "My work required me to stoop over much of the time and I think this was the cause of my kidney trouble. My back was so stiff and sore that I could hardly get out of bed in the morning. My limbs were also lame and I was annoyed by too frequent passages of the kidney secretions. Having heard of Doan's Kidney Pills I obtained a box and had taken but a few doses before I noticed improvement. In a few days the soreness had left my back and I felt better, in every way. I am only too glad to recommend Doan's Kidney Pills."

PEOPLE NOTICE IT

Last spring many of the people who know Gerald Rogers of New York, were talking about how pale and delicate he was No one had to tell him, for he realized his bad condition

It was spring—just the time to do something for his blood—and he decided to do it. His recent letter tells the whole story: "I was very weak delicate and pale all spring, owing to run down health and poor blood. But since taking Vinol my health has been built up splendidly and I have recovered my former strength. My blood is now rich and healthy and my appetite is good."

The very best spring medicine you can possibly get is Vinol, our delicious cod liver and iron preparation without oil, because it not only purifies the blood but builds up flesh and strength and makes quantities of rich new blood.

Make up your mind right now that you will try Vinol (on our guaranty that is must please you or cost you nothing), for it will make you feel better than you have felt for years. Hirsch Drug Co., Monessen, Pa.

There is a Great Advantage in Buying Your Suit Early in the Season.

Aside from the fact that you have far better choice from complete stocks by purchasing early, there is also the advantage of getting longer and more satisfactory service from the suit.

Women, whom we have given this advice to on former occasions and who purchased their Spring suit when we made our first displays, have freely expressed the desire to be among the first notified when our new Spring suit stock arrived. They realize there is a great advantage in buying their suit early in the season.

And Now a Word About These New Spring Suits.

First of all, jacket lengths of the new suits range from 20 to 28 inches—a length especially chic in appearance. Sleeves are elbow or three quarter in length—large armholes are a particular notable feature of the new styles. The skirts continue narrow with straight lines, though ample enough in width to give perfect freedom of movement. Serge, Voile, Taffeta Silk, Satins and novelty materials enter largely in the new suits for Spring.

Coming to the vital question of cost—the suits shown in this display are moderately priced in every instance.

We welcome you to our Spring Opening which takes place Thursday, Friday and Saturday at Monessen's Progressive store.
